ECU INFORMATION GENERAL OVERVIEW

The ECU INFO section lists all the available ECU's on the vehicle you are connected to. Selecting the small clock icon on the top right will display the last time the ECU information was updated from the vehicle.

The left hand side of the page will provide a list of all the ECU's. Expanding the dropdown will list further ECU details.

Swiping from the right hand edge of the screen will bring up the ECU Information specific menu which covers:

- Refresh
- Save ECU log
- Help/Info
