Software Modules Applicable to Discovery III / LR3

On CAN BUS based vehicles such as this, all the vehicle system control units (which can be up to 30) are so interconnected and inter dependant that we provide them all under one single software module license / part number.   Click on the links below each System Name for more detailed information about the capabilities of each module.

Software Module Part Num	Vehicle System Name	Vehicle System Type	Mandatory, Optional, Alternative	Fitment Qualification
SM129	**CAN bus ECU set** https://www.blackbox-solutions.com/shop/help/SM129.html	All systems on entire vehicle (see more info for list)	Mandatory	All Vehicles
