

## Software Modules Applicable to all Rover and MG (except 75, ZT or ZT-T )

Here is a list of all our modules that are applicable to the above Model range. Some systems will always be fitted (Mandatory), some are fitted according to model, year or engine type (Alternative) and some are optional (Optional) according to model or customer selection.

Presence of the main control unit signifying the fitting of any given vehicle system in any particular vehicle must be confirmed by running our Vehicle Scan module to diagnostically detect it. Click on the links below each System Name for more detailed information about the capabilities of each module.

Software Module Part Num	Vehicle System Name	Vehicle System Type	Mandatory, Optional, Alternative	Fitment Qualification	Model Fitted
SM002	<b>MEMS 1.6 and 1.9</b> <a href="https://www.blackbox-solutions.com/shop/help/SM002.html">https://www.blackbox-solutions.com/shop/help/SM002.html</a>	Engine Management System	Alternative	Petrol Engines	See link for full coverage
